

## Group 5 feedback

Summary.md	Missing 0%	Low Quality 50%	OK 70%	Good 80%	Outstanding 100%
Component	0	1	2	3	4
Clearly explain <i>what</i> you are planning to build					4
Clearly explain <i>who</i> your target users are					4
Clearly explain <i>why</i> the product you are planning to build will be useful to the target users					4
Clearly explain <i>how</i> you are going to build it				3	
Overall quality of deliverables					4
Overall insight				3	

Collaboration.md	Miss- ing 0%	Low Quality 50%	OK 70%	Good 80%	Outstanding 100%
Component	0	1	2	3	4
Reasonable records of meetings (when, who, minutes)				3	
Reasonable plans for future meetings					4
Reasonable roles for each team member			2		
Reasonable decision making proposal				3	
Reasonable github/git collaboration proposal					4

Total: 85.84%

Feedback:

Looks like one (Mar.04.2016) of the meeting minutes is not updated. Hopefully the user stories and tasks can be planned out before the end of this week, as P2 demo is due in 10days.
